ONDERZOEK ZWERFAFVAL PURMEREND 2021 – BIJLAGE 3

Een onderzoek door Dirk Groot, De Zwerfinator

Periode onderzoek: Mei 2021– Augustus 2021

Datum rapport: 13 oktober 2021

OVER DIT DOCUMENT

Dit document is een bijlage bij het rapport “Onderzoek Zwerfafval Purmerend 2021”. De inhoud bestaat uit kaarten waarop het zwerfafval is weergegeven van de grootste leveranciers van het zwerfafval.

Op de kaarten is het zwerfafval van de onderzoeken van 2018, 2019 en 2020 samen in een kaart weergegeven, en het zwerfafval van het onderzoek in 2021 in een aparte kaart.

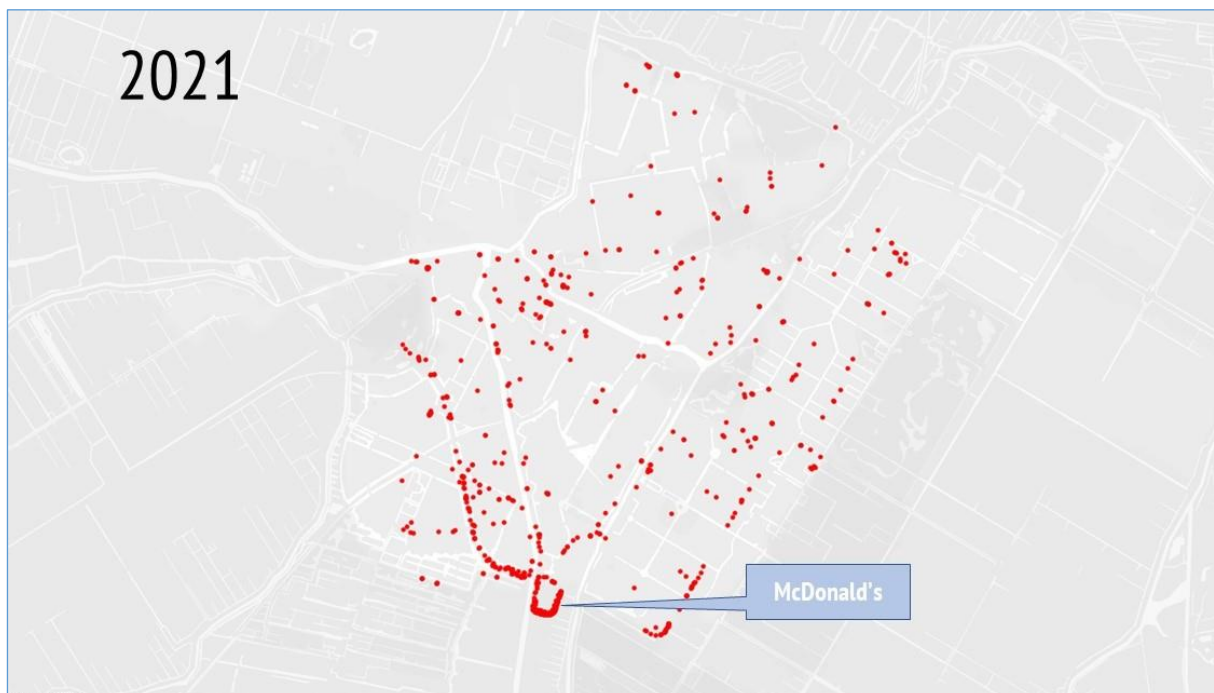

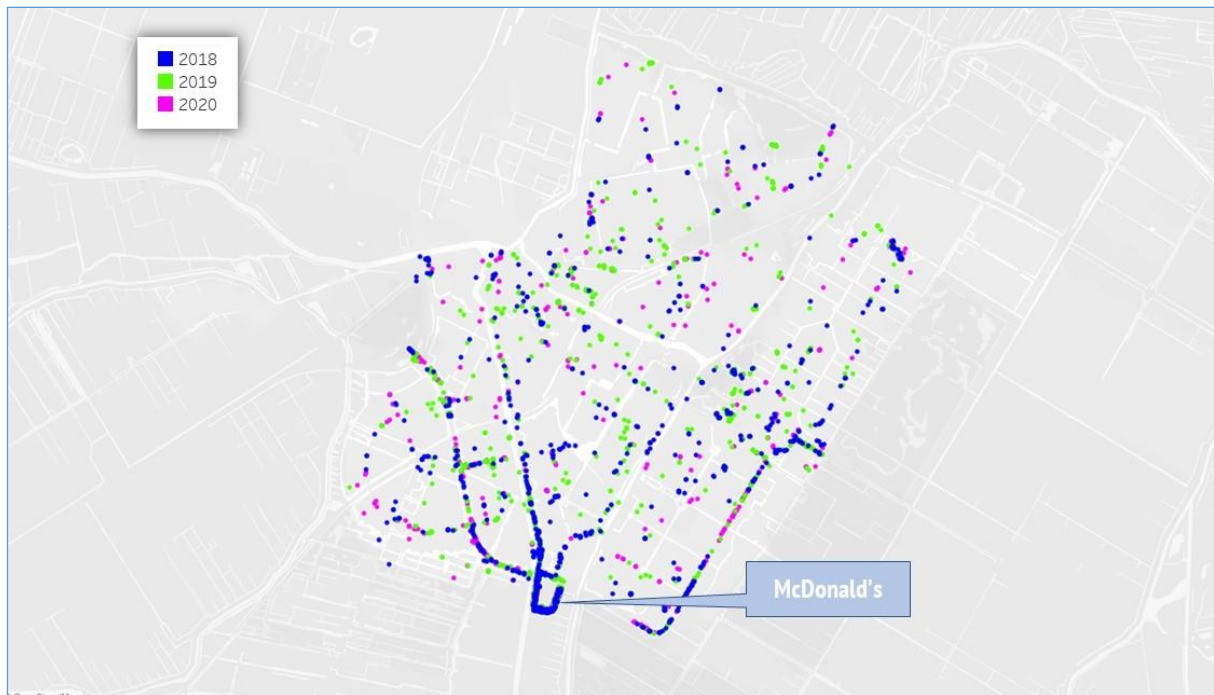

In het eerste deel staan de kaarten met het zwerfafval van bedrijven die vestigingen hebben in gemeente Purmerend. Deze kunnen gebruikt worden om waar nodig en waar mogelijk in overleg te treden met deze bedrijven om afspraken te maken over het tegengaan van zwerfafval.

In het tweede deel staan de grote merken die door meerdere bedrijven verkocht worden. Hierop heeft gemeente Purmerend geen invloed.
